To whom it may concern:

Letter of Reference: Data Management and Statistical Analysis (DMSA)

Employee Engagement & Alignment Survey

It is with great pleasure and honour for me to recommend Data Management & Statistical Analysis (DMSA) to any other employer, and or, organisation for the above mentioned assignment(s).

In my capacity as an HR Executive for Gauteng Partnership Fund, I have worked closely with DMSA consultants when they conducted an Employee Engagement Survey for our organisation and they delivered beyond our expectations.

Over and above, they were very professional on what they do and I am delighted to provide this letter of recommendation.

As such, I would procure their services any day.

Yours sincerely,

Luyolo Geza

HR Executive
