TO WHOM IT MAY CONCERN

Data Management & Statistical Analysis conducted Legal Aid SA's National Internal Omnibus Survey 2020. It was a pleasure working with DMSA. They are knowledgeable not just about statistics but understanding how to derive business value from the survey results.

The process went smoothly and they were quick to respond to issues and requests for additional information. It is my pleasure to highly recommend DMSA to any organisation wanting to do an internal survey.

Kind Regards

Dayalan Dalyiah Naidoo
