### "TO WHOM IT MAY CONCERN"

Dear Sir/Madam

### **RE: RECOMMENDATION ON THE SERVICES OF DATA MANAGEMENT AND STATISTICAL ANALYSIS**

The above matter refers.

I am writing this letter to recommend the services of Data Management and Statistical Analysis (DMSA). DMSA recently conducted the Mogale City Local Municipality Employee Engagement and Culture Survey. We found their service to be highly professional and effective. Their consultants were knowledgeable and had a very good understanding of our work environment. Their analysis and recommendations to address the survey results were very useful in unpacking and understanding our employees' challenges.

I have no hesitation in recommending DMSA to other organisations.

We trust you find the above in order.

Kind Regards
